Nick's face indeed doesn't need any coments, by saying the 'name' Joan....

But hey, our faces are starting to look the same way, when someone pronounces her name here.....at least my face does, that's for sure.....

Nick looks a little bit sheepish with every interview in Dutch. He doesn't understand a word of it, but he is trying to 😊 😊

maybe we could give him lessons 😊 😊

I am trying to imagine now that he's reading the comments on the forum and wondering what on earth "schatje ,je hebt een lekker kontje" means. He will be looking the same way as he looks while hearing an interview in dutch 😊😊
