Hi Manuella:

Don't forget to take also a picture of Kaya the expression on her face that she's going to the show tonight & the song Nick & Tanja are skating to 😊

I couldn't keep it a secret any longer, so i told her that we are going tonight... the look on her face was priceless !!!!

I'll post the pics in my introduction topic...

She was sooooo excited... she still can't believe that we are really going, she thought i was going to take her to a skate-off show, never would she have thought i would take her to an actual show on wednesday... i sure made her very happy...

Haven't told her about the song... that is something she will find out at the show herself...

Yes she said something to Sergio, she had the feeling that her points from Joan weren't right last week.. so when they got at the jury, Joan immediately started it about that. and said so did Corry but Tanja answered yes, but he just gives the same like you.. Joan didn't really know what to say.. so she said she liked it much better this week 😊 let's hope her points increase a bit now

now it's Stoffel's turn
