She had an accident while she was training.
 Hope they find another solution than bringing anneleen back in the show;

Hi Karine,

you're still more than welcome to join the clan again. We'll be in Hilversum pretty early to have dinner and to do some shopping. So, join us?

Diana,

I cannot come that early. I only have saturday to clean and to go shopping for food. Than I have to make dinner for the children before I can leave

Hello Girls,

We won't be there in Hilversum with our body but be sure our mind will be with you all.

We are wishing everyone a very great time and make the most of it, enjoy the show and Nick.

Just be all very loudly so it can not be missed FANS OF NICK in the crowd.

It has to be very clear : WE WANT NICK BACK ...more than ever, don't we !

Have fun !

Greetings,
Elly Jeane & family.

Hi Ellyjeane:

None of the girls won't be there Friday night 😊 Only my daughter & I will be in the studio to support Nick 😊 The tickets were all SOLD OUT before the Nick Fans knew the real day & date 😊 It was at that moment very confusing 😊 I'm not the hysterical type like alot of teenagers 😊 Screaming & yelling for their favorite star!

Hello Carmen,

I understand what you mean, I'm very quiet too , a bit shy and love to stay in the background. But here on VTM shows the audience was very loudly , so one of our clients told me....

Sorry, I completely understand what you're saying, it would be the same for me, just let me enjoy the show and let me stay in the corner...

They're no teenagers in this family anymore but I do remember " teenagers".

Let me tell you and your daughter just to enjoy , ok ? in your own way.

Greetings,
Elly Jeane & family.

Hi Ellyjeane:

Well let me tell you,when my daughter & I went to see the 1st Liveshow I was hiding behind her huge banner 😊 My daughter & her friend were holding it up while I was sitting in between them 😊 Now you know why I'm called The Canadian Chicken 😊

Hello Carmen,

I know perfectly what you mean,
 here at our firm at home, the clients always tell me how easy to talk with I am but I find that totaly
 different, it's my firm, my place...

I write these poems for a local magazine to support children with cancer,
 well when there is a meeting I am the most quiet one. People always are very surprised by that.

If I went to a show I don't think I would be able to say one word to the other members , surtainly
 not to Nick.

I am what you can call een stille genieter.

Greetings,
 Elly Jeane.
