i never have been to a skate show but i have some other shows
There are people with sign telling you to clap
but never during someones performance always before or after
I cannot beleave that there where signs during the dance of Nick and Flo

This is the last time i talk about this , because it seems i was the only one who thinks it shows respect to the performers
(Aspecial during such a romantic dance) to be quiet during the dance to get into the song and dance.

Hi Browney,

I didn't react on this subject to hurt you, I only told how it went to the shows I was in Holland and Belgium, they do give you signs when people do their performance.

And of course you can let others know you don't like it, please don't take this personal.

Regards, Paula

yep Paula, indeed
during the performance at the belgian shows we were asked to clap and cheer when they do a lift or something difficult, so i can imagine it is just like that in Holland

Hello,

We do believe so too, every performer is going to do even better when he or she ears that the crowd is totally going with the cure.

Every performer likes the encouragement and not only afterwards, believe me.

Hi girls,

just back from visiting my family in law in Belgium. We had a great time, being all together again and going out for dinner!
Always good to have the whole club at the same place!

You probably all know that Regine and I indeed sneaked in, afters the show friday and we had a little chat with Nick.
And then saturday, what a bummer....they banners didn't get on tv, because they taped everything already on the friday.
But hey, we did the best we could! And then not the least, Nick was there for us after the show. So sweet!
It was great being together with the girls again, we had a lovely dinner and had lots of fun.

That's it for now, have to take care of some things.

Big hug
Diana

Hi Girls

I missed the show on saturday but a friend of my taped it.
So I can see all the baaners.
But now I read that you don't see it on tv.
It's a pity.
But I am going to watch it anyway.
Get the tape tommorow.

Hi Carmen,

I do have the real Maple Leaf Syrup in my fridge, I always take it with me home after I visit Canada or my friends in New Hamshire (US)
