Hey Girls,

I was trying to get the video from iwatch2, but I think it doesn't work for us here in Holland.
Because we don't live in Belgium 😊

Maybe one of you can give it a try ??

Just go to the website of Sterren Op Het Ijs and under the six videos you see a thumbnail that will get you to the website of iwatch2.

You have to send the word iwatch2 by textmessage to 3108 and then you get a code, but I didn't 😊 so no video (I think it's the hole show ??)

So if there's anyone that can get it and is willing to pay 2 euros for it, maybe you can place the video on our fanboard !! 😊
I tried my best 😊

Much Love,
Corianne

Hi Corianne

Paying at iWatch by GSM doesn't work for us here in Holland..

You have to live in Belgium and be with a Belgian provider to be able to give in a phone number (between 0472 and 0499), numbers from abroad don't work ...
I also tried...

The only other way is to pay by Visa, but unfortunately I don't have Visa but Mastercard and that doesn't work either.. Maybe someone else ??

And besides that you can only watch the show for 10 times within 24 hours... than you have to pay again.
You can not download the show.

Let's just hope Regine can put them here for all of us...

Thanks Corianne,

for placing the link 😊

 and yes Tanya, hearing Nick say " dankjewel " it sounded so natural, as if he speaks Dutch all the time 😊
 I wonder how much Dutch he understands by now...

Hi Corianne:

Thanks for placing the interview, & hearing Nick saying Thank you in Dutch & ofcourse French 😊

I agree with Anne 😊 I'm wondering also how much Dutch he does understand?

By the way.....correct me if I'm wrong 🤔 In the interview the woman behind Nick & Tanya with a ponytail wasn't that Flo 😊

Hi Carmen,

I watched the video again, and yes... it was Florentine who passed behind Nick and Tanja, but she has no ponytail...

This is a photo from Florentine and her partner, wednesdayevening..

and you can see it for yourself..

I noticed that Nick didn't understand what Tanja was talking about when she told that she has a strong bear at her side... so I think his Dutch isn't very good 😊😊
