Is there anybody will go seeing the show in Germany ?
The show seems to be a little bit short, but i'm sure it's gonna be great.
What do you think about it ?

hello rukia, i am not gonna go to the show in germany but i knowe people that are going, and as Nick has say his part is only short in the beginnig that,s why he say,s that if people are comming to germany to go in the last weak of december because then his part is going to be bigger, so people than are not comming for naughting, because it,s a long drive to germany, so i think that,s faer of him to say that, and by the way even to see nick skate for two minnutes it,s not for naughting, because he is the best no metter what. greetings from margo 😊

I would love to see the show, but it's too far away. I have transportation but the journey of 8 hours in a car to see Nick for a short time, isn't that appealing. 😞

Ofcourse I wish Nick & Flo a great time with 'Katenka and the wolf'!! 😊

Hope to see some picture from those who are going to see Nick.
And also wish them a great time enjoying the show. 😊
