Hi everybody,

I see Lucienne and Corianne already react to the questions so it's only 'fair' to react also.
To be honest there is nothing more to say...

It was never my intention and my believe for that matter that if I went to the show without sharing it on the forum that people would feel left out, jealous or something else for that matter. (and reading the reactions so far I don't think that there are many of you that were)
I'm not that active on the forum anymore so I never tought about telling it on the forum to you girls...
It's not that I have regulair contacts here or something, in that case it would be different!
Then I would understand and than I can imagine that some people felt left behind, or even maybe cheated???
It's fine and ofcourse very nice that 'we' all share information about thing if it involves Nick... I choose a couple of months ago not to be so involved anymore (has nothing to do with Nick ofcourse 'cause I follow him practicy on a daily basis).

Anyway... to make a long story short (well, to late I guess 😊😊) yes, I had the chance to see Nick.
I was happy because when we were at our way to go to Lint we got tottaly lost!!! 😞
Instead of driving about 75 minutes we arrived there 3 hours later so I was ready to start crying.... (why didn't we buy that F\$%&*\$ TOMTOM??) We were lucky that people knew that we were coming so the helped us to get in the studio....
Our luck turned because we got to see Nick, say hi and we had a little chat all togheter... Flo saw me as well so that was nice to!!

All togheter..., I wanna say to everyone who has the chance to go tommorow and in the next few weeks: Have a good time and enjoy!!!!

I hope I cleared things up as well..., Lucienne already said things so to 'back her up', here is my story!

Marielle, Lucienne & Corianne:

Thanks to all 3 of you for clearing things up. Lucky I'm not jealous, I reserved tickets for next week for Hilversum the 1st Liveshow, because since my daughter & I were following it the whole year, I thought it was about time to see it live in the studio! So I thought maybe SBS6 asked Nick & Flo for the 3rd season, but that wasn't the case 😊

hey lucienne and marielle.

first off all i want to say that i think it,s great you,ve been there, i told corianne also (in an e,mail, witch she don,t understand i think.)

because i, and a few others are surtenly not jealous, we just wanne know how, were and when chris, iekje and corianne bought those tickets, because that are the girls were we have been together to the other shows last season in hilversum, so we just don,t understand where they bought there tickets, because from day 1 there were no tickets for okt.....that,s all.

xxx regine.

Hey Paula, Carmen & Anita,

Glad I cleared up things as well..., and ofcourse you are welcome, my pleasure..., there's enough war in the world I always say, isn't it??

Anita, yes, I do have pics but not that many...

I also told Lucienne (he Luus?) that I was sick and tired of ask people how to do this and that, so for now I try to put it on the forum myself..., can't stand myself for not understanding these things...

I wanna learn this as well 😊

Be sure that if I don't have a clue that I will shout as hard as I can for help okay? 😊
