I also agree on that. Maybe we can pick a date an a cental place where we all can go to by train, car, what ever, so we all can have an oppertunity to see eachother. That would be nice.

Just an thought....

Hello girls,

I agree with Moddy, I would like to meet some members because they are giving me a good and save feeling, it's been a long time since I've known such a lovely group of people. A few are even very special.

I wanna try to put my " chicken out " feeling aside and agree with Moddy.

Greetings,  
Elly Jeane.

Hi Ladies:

I agree with everyone, usually if there is a forum meeting the best place is Utrecht Central Station.....because everybody lives so far away from each other.

I think Utrecht Central Station is a very good place, it's central and the girls from Belgium can easily take a train to Utrecht. Even there is a very large carpark ( several ) behind the station. The carpark for De Jaarbeurs and the Trademart.

Yep, good idea.

My christmas holidays are filled though...having friends over from Ireland...so no time there.

And a whole bunch of us will meet anyways on january third in Gouda, right?

But just pick a date and I'll see if I'm available.
